Building Minds... one block at a time!

For 25 years, Mega Bloks has offered a world of quality toys, created to suit the varying needs of children. Our toys inspire smiles, adventures and imaginations all over the world!

With three different sizes of blocks, Mega Bloks toys let your child build according to their age and level of dexterity, while encouraging their creativity!

Welcome!

**MEGA
BLOKS**

"I can build!"

First blocks for little hands

From 9 to 36 months

Your little one is learning every day, and you couldn't be prouder of what he's accomplished. You want the best for him... And so do we! That's why we're here to grow with your child.

Mega Bloks toys are perfect for little hands. They help children build creatively at their own level!

"Look what I made!"

Imagination and beyond

From 2 to 5 years

Colors. Creations. A whole world of amazing building discoveries for 2 to 5 year-olds. When your child is ready for a bigger challenge, Mega Bloks helps to create better, more detailed builds.

"Wow! That's so cool!"

Building Adventures

From 4 years and up

For bigger kids aged 4 and up, our smaller blocks offer more variety and details to inspire great adventures!

As your child grows, Mega Bloks toys grow right alongside – offering endless building possibilities that let young imaginations soar!
