

# Bug Memory Cards

Cognitive Development

Have an adult help you cut out the cards. Place the cards face down. Take turns with a friend turning over two cards to try and find a match. Play until all the matches are found.

Continue the journey at [leapfrog.com/learningpath](http://leapfrog.com/learningpath)  
Connect your Tag™, Leapster®2 or Did™ learning system to your computer often to ensure your child's Learning Path is up-to-date.
